

# How to Recertify (Grade 7, 8, 9)

---

This document will explain how to recertify for 2016 if you are a Grade 7, 8 or 9 referee in the state of Washington.

## Badges

Badges will be mailed to you from USSF by about Dec 1, 2016 or 6-8 weeks after you complete your recertification, whichever is later.

You do not need a physical 2016 badge to referee games in 2016. It is only required that the WSRC website ([www.wareferees.org](http://www.wareferees.org)) shows you are certified for 2016. Everyone will agree it is nice to have the badge, though.

## Requirements (Last certified in 2011, 2012, 2013, 2014)

You have completed recertification when all your requirements are met.

Grade 9 Requirements:

- Grade 9 referees must upgrade to Grade 8 to recertify for 2016. Grade 9 is no longer supported in Washington state. To upgrade, sign up and attend a Referee - New (Grade 8) clinic.
- Pay 2016 Registration Fee of \$50 + the Upgrade Fee of \$15
- Complete the Online Referee - New (Grade 8) Course
- Attend the Referee - New (Grade 8) clinic
- Pass the 50 question multiple choice test with an 80% or better score

Grade 8 Requirements:

- Pay 2016 Registration Fee of \$50
- Sign up and attend a Referee – Recert or Supplemental Training Grade 7 & 8 & Emeritus clinic
- Complete the Online Referee Grade 8 Course

Grade 7 Requirements:

- Pay 2016 Registration Fee of \$55
- Sign up and attend a Referee – Recert or Supplemental Training Grade 7 & 8 & Emeritus clinic
- Complete the Online Referee Grade 7 Course

## Requirements (Last certified before 2011)

If you were last certified before 2011, you must start the certification process over by attending a Referee - New (Grade 8) clinic.

## State Cup Games, State Tournaments, Out of State Events, etc. Requirements for WASRC Selection or Assignments

Grade 7 and 8 Referees may be required to complete some or all of the requirements below in order to be selected for State Cup games, State Tournaments, Out of State events, etc.

1. Attendance at one or more “Qualifying Event” such as:
  - a) Referee Development Academy (RDA)
  - b) Regional Training Seminar (RTS)
  - c) Other WASRC Sponsored training events such as Advanced Clinic, Founders Cup, Big Boys Tournament, Referee Development Team and “By Invitation Only”
  - d) Regional / National events such as Presidents Cup, Far West Regionals, Veterans Cup, Development Academy
2. Fitness Test

### **Attend the Clinic**

You must attend the clinic you've signed up for to get recertified. You may attend the clinic before or after completing the Online Lessons.

## Take the Online Lessons

Once you've paid for your 2014 registration you will be able to take the Online Lessons required for recertification. You may complete the online lessons before or after the clinic. (Note: Grade 9 recertification only requires the Online Lessons. It does not require an in class clinic.)

On the Member Information page, scroll down to the Clinic Reservation section. There will be an "Online Lessons" button next to the clinic you reserved. Click this button to begin the Online Lessons. You may stop the lessons at any point between lessons and then pick up where you left off at a different time. It takes approximately 3 hours to complete the Online Lessons.

### Clinic Reservation

[Click Here for help with Clinic Reservations](#)

Please reserve a clinic, transfer to another clinic or Retest below. If you Reserve a clinic and then want to transfer to another clinic, you may use the transfer button next to the clinic you reserved below to transfer to another clinic. If there is no transfer button, it is too late because the clinic you reserved is beyond the cutoff date (clinic is closed). If you do not pass the written test, once the scores are posted by the instructor, a retest button will be next to the clinic you reserved, and you can use that function to retest online or at a different clinic. There is no charge for this.

You may not skip through the video or you will not get credit for the lesson. If you miss any questions at the end of the video on the first try you will not get credit for the lesson. If you don’t get credit, you will need to take the lesson over.

Please see the “Online Course Help” for more about taking the online lessons.

The Lessons for the online clinic you have chosen are listed below. The Start Lesson button is available for the next Lesson you should take. If you have already taken a lesson, you may optionally retake the lesson at anytime by using the Retake Lesson button. Results for lessons you have taken may not be recorded for up to a week after you have taken the lesson. So do not retake the lesson just because results have not yet been recorded. ## Known Problems with the Online Lessons and What to do About Them

### “Complete” or “Incomplete” is not Displayed

Due to synchronization issues, the website may not get a status back from the USSF lesson module. In this case, “Status Pending (updated in 24-48 hours)” will appear after you complete a lesson. This synchronization problem will be cleared up each evening about 10PM when system synchronization is completed with USSF. If this problem doesn’t clear itself up within 2 days, please contact [WSRCWebmaster@gmail.com](mailto:WSRCWebmaster@gmail.com) and send in the confirmation email showing you completed the lesson.

### Website Reports an Error at the End of a Lesson

Lessons entitled “Law 5a – Concussion Awareness” and “2013 Law Changes” have a compatibility issue between older versions of Adobe’s Flash Player and Microsoft’s Internet Explorer browser. To fix this problem you can either download the latest version of Adobe’s Flash Player from Adobe’s website or use a different browser such as Google’s Chrome or Firefox.

### Taking Lessons Directly from USSF Website Will Not Work

If you don’t use the WAREferees website to take the online lessons there is no guarantee you will get credit for taking the lessons.

### Follow the Instructions

Read and follow the instructions or you may not get credit for the lesson.

## Completion of the Online Lessons

Once you have completed all the online lessons it will tell you so in the Clinic Reservation section of the Member Information page.

### Clinic Reservation

[Click Here for help with Clinic Reservations](#)

Please reserve a clinic, transfer to another clinic or Retest below. If you Reserve a clinic and then want to transfer to another clinic, you may use the transfer button next to the clinic you reserved below to transfer to another clinic. If there is no transfer button, it is too late because the clinic you reserved is beyond the cutoff date (clinic is closed). If you do not pass the written test, once the scores are posted by the instructor, a retest button will be next to the clinic you reserved, and you can use that function to retest online or at a different clinic. There is no charge for this.
